Oklahoma Lottery Retailer Sales Contract Application Frequently Asked Questions

- 1) **Q:** Why do you have to do a criminal background check and a credit check?
A: The law requires us to do those.
- 2) **Q:** What if we have had tax problems in the past, but we have worked out a payment plan with the Tax Commission to address it?
A: If you have done that, you should be okay. The tax issue will only be a problem for you if you are not paying your taxes and debt as required by the Tax Commission.
- 3) **Q:** Why do we have to print off the application forms, sign so many of them, and then mail them in? Can't we do that all online?
A: The Lottery Act requires information from business owners, as well as directors and officers of corporations. Individuals are required by the law to affirm the statements and disclosures in Part 3 of the application. You are required to set up a separate bank account and the ability to electronically transfer money from that account needs to be approved by your bank through our State Treasurer. Currently the application process is manual.
- 4) **Q:** Once we're approved to sell lottery tickets, can we sell or transfer our license?
A: No. You aren't actually "licensed," you've entered into a contract with the Lottery Commission (OLC) and we will issue you a certificate of authority that is valid only for the owner(s) and the location specified on the approved application. The law clearly states that you cannot transfer the certificate. Make sure you read the retailer contract requirements as it covers many of the things you can and cannot do under the law.
- 5) **Q:** How do we get a bond as the law requires?
A: The law also allows the OLC to purchase a blanket bond and to set up a reserve account to cover losses that may be experienced. \$50 of your initial application fee is designated to cover bond requirements.
- 6) **Q:** How do you collect money and pay me when needed?
A: You are required to set up a bank account with a local bank "in Trust for the Oklahoma Lottery Commission," using your FEIN. We transfer from the account what you owe us on a weekly basis via Electronic Funds Transfer (EFT). Generally, only claims centers cash enough prizes so that we need to pay them. If it becomes necessary to pay you, we will write you a state warrant (check).
- 7) **Q:** What if there isn't enough money in the bank account when you do the transfer?
A: The OLC will charge you a Non-Sufficient Funds (NSF) fee and your bank may do the same. You will be responsible for any charges assessed by the OLC or the financial institution. We will contact you to determine why you didn't have enough money in your account. If we cannot contact you in a timely manner, or if the problem continues, we will shut-off your ability to validate tickets and sell online/draw games until you correct the problem. If the problem persists, you may lose your lottery retail sales contract. To help avoid any NSF's, each retail location will have the ability to print reports from your lottery terminal showing sales, prizes you paid, commissions you earned, and amounts to be swept from the bank account. If your contract is suspended and the terminal shut-off, you will need to call the OLC to find out what your weekly invoice payment is. We will transfer from the bank account on a standard schedule giving you enough time to make sure that the account has enough money in it to cover the upcoming transfer.
- 8) **Q:** I have 15 retail locations that I want to sell lottery tickets. Will I need a separate bank account for each location?
A: Multiple locations operating under a single FEIN may utilize a single account.

3. If you qualify, please complete the application packet. If you are a Tribal-owned business not on Indian land, there is a separate application packet for you. If you are a business that is located on Tribal-owned Indian land, you will need to call our retail contracts unit. You can access the application packets and instructions at www.lottery.ok.gov or requesting an application by emailing: info@lottery.ok.gov . If you don't have Internet access, you may request a packet by phoning 405-522-7700. You may also write to:

Oklahoma Lottery Commission
3817 N. Santa Fe
Oklahoma City, OK 73118-8508
4. Please provide all of the requested information, sign the necessary documents, enclose your application fee and mail the entire packet to the Lottery. Note that when you apply, you are authorizing the Lottery to perform criminal background and credit/finance investigations on you and all owners, officers, principals, and partners listed in your application.
5. When you submit your application, you will need to send in a cashier's check, personal check, business check or money order of \$95 for the first store and \$50 for each additional store. \$45 of the \$95 fee is a non-refundable application fee; \$50 will cover the bonding requirements for the first store. If you are not approved to sell lottery tickets, \$50 will be refunded to you. Make your check payable to "Oklahoma Lottery Commission".
6. After the Lottery staff has reviewed your application, conducted a site survey, and you have cleared all of the credit and background checks, you must establish a separate bank account in which to keep your lottery net proceeds (read the details for Part 5 of the Application). By law, the account must be set up in an institution insured by the FDIC and the Lottery must be authorized to electronically sweep funds (EFT) from the account. You may set up the bank account earlier in the process, but if your application is not approved, any costs for opening the account are your responsibility.

- c) Failure to have sufficient funds available at the time of the EFT sweep (referred to as "NSF's") may result in banking service charges to the retailer. Repeated NSF's may result in contract suspension or revocation/termination.
- d) All sales of online / draw games are billed to the retailer on a weekly basis, Sunday through Saturday.
- e) Sales and invoicing of Scratchers or Instant tickets are as follows:
 - i) Scratchers are provided to retailers in packs with a \$300 or \$600 pack face value.
 - ii) When ready to sell Scratchers, the retailer will "activate" a pack for sale on the lottery terminal. This activation allows the tickets to be scanned to identify winning tickets. Since the gaming system does not track individual sales of Scratcher tickets, retailers are invoiced when each individual pack of tickets is "settled."
 - iii) In the initial application, the retailer must select from one of three settlement options for Scratcher tickets. These options are all identified in OLC Administrative Rules available on our website: www.lottery.ok.gov. By Rule, retailers are allowed to change this option annually on their contract renewal date. In order to change the settlement option, the retailer must notify the OLC at least 2 weeks prior to the contract renewal date

- (1) Settlement Option 1: All ticket packs activated by the retailer or by the OLC on behalf of the retailer for which eighty percent (80%) of the winning low-tier tickets contained in the pack have been validated by the end of the previous accounting period will be included in the current retailer weekly invoice. Any pack which has been activated for a period of thirty (30) days will be invoiced to the retailer, even if eighty percent (80%) of the pack's winning low-tier tickets have not been validated.

In the event a retailer concurrently activates two or more instant game packs from the same game, the first pack activated will be included in the current retailer weekly invoice regardless of how many low-tier tickets have been validated from the first, except in situations where the retailer has two or more selling locations within the same retail business, in which case the first pack activated will be included in the current retailer weekly invoice when the third or subsequent pack of that game is activated, regardless of how many low-tier tickets have been validated from the first pack.

- (2) Settlement Option 2: All ticket packs will be settled 21 days after activation, at which time such settled packs will be included on the weekly invoice for the week in which they were settled.

In the event a retailer concurrently activates two or more instant game packs from the same game, the first pack activated will be included in the current retailer weekly invoice, except in situations where the retailer has two or more selling locations within the same retail business, in which case the first pack activated will be included in the current retailer weekly invoice when the third or subsequent pack of that game is activated.

- (3) Settlement Option 3: All ticket packs will be settled immediately upon activation, at which time such settled packs will be included on the weekly invoice for the week in which they were settled.

4) Application fee, bond requirement and contract renewal (payable to the Oklahoma Lottery Commission)

- a) Persons applying to become lottery retailers shall be charged a uniform application fee for each lottery outlet as required by State law. The initial fee is \$95 for the first location and \$50 for each subsequent location operating under the same FEIN.
- b) All lottery retailer sales contracts are renewable annually, at the discretion of the OLC, unless sooner canceled or terminated. Unless there are unresolvable issues, Lottery contracts will be renewed automatically on the annual renewal date for the retailer. Renewal fees will be added to the weekly invoice to be swept from the retailer's lottery bank account. Renewal fees are \$50 per location.
- c) The \$50 bond fee paid by a retailer is deposited into a fund established to reimburse the OLC for losses from the failed operation of retailers. The amount, frequency and method of future payments shall be established by the OLC. Currently, this is a \$50 annual fee which is included in the initial application and renewal fees noted above.

5) Other retailer obligations

- a) The retailer may not use an Oklahoma Lottery insignia, logo, trademark or name of an Oklahoma Lottery game in an advertisement without prior OLC authorization.
- b) Lottery retailers and applicants cannot pay, give, make any economic opportunity, gift, loan, gratuity, special discount, favor, hospitality, or service to the executive director, board member, employee of the OLC, or to any person related to any such person within the third degree of consanguinity or affinity.
- c) Lottery retailers may not contract with any person for lottery goods or services except with the approval of the board of trustees of the OLC.
- d) If the rental payments for the business premises of a lottery retailer are contractually computed, in whole or in part, on the basis of a percentage of retail sales and such computation of retail sales is not explicitly defined to include sales of tickets or shares in a state-operated or state-managed lottery, only the compensation received by the lottery retailer from the OLC may be considered the amount of the lottery retail sale for purposes of computing the rental payment.

6) Lottery Retailer Sales Contract Cancellation: retail contracts may be cancelled, suspended, revoked or terminated by the OLC for the following reasons:
